Oak Spring Garden Library

Bindim & Dérôme,

rien de plus beau que cet ouvrage. de Claud. Aubriette
Peintre et Dessinateur du Cabinet du Roi. je le recommande
a mes enfants comme infiniment précieux. il contient 53
feuillets, dont 28 représentent des plantes avec leurs fruits
et les 25 autres 97 papillons mâles et femelles, plus un
assez grand nombre en coques, en chenilles et en chrysalides./.
